

# Foster your students' STEM growth & achievement

Build students' STEM identities and empower them to lead authentic STEM projects.

During remote learning, students gave us 4.7 out of 5 for "... how much fun did you have completing this lesson?"

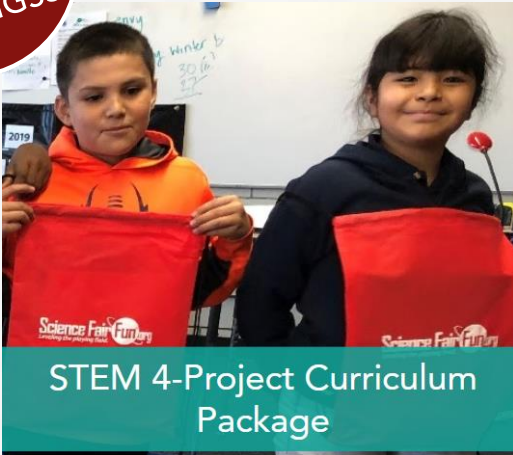

STEM Project with Mindfulness Twist

Diverse STEM Stories: Choosing a STEM path

Aligned with CO Standards & 3D NGSS

STEM 4-Project Curriculum Package

STEM Share Fair: Celebrating student-led STEM

"Denver Public School educators are fortunate to tap into STEM Generation's **donated and innovative support and resources.**"

– Renee Belisle, DPS Team Lead & K8 Science Curriculum Specialist
