

January 2021

Dear Colorado teacher,

Thank you for your time and dedication while we work together to equip your students with leadership and STEM skills through their engagement with our Make Science Fair Fun® STEM 3-Project Series.

**As a teacher facilitating the STEM 3-Project Series, we would like to offer you the opportunity to participate in our process for improving our programming and the communication about our program.** Your participation is 100% voluntary. We rely on the use of these tools to show our impact. **In return for your voluntary participation within the 2 weeks after your implementation of the curriculum,** we would like to offer you the following perks in return for digital access to the following materials in our shared Google Folder titled **ADDED PERKS – SHARED RESULTS & EVALUATIONS:**

**STEM 3-Project Facilitation & Feedback - \$100 Amazon Gift Card**

- Your completed **Teacher Program Feedback** form about the STEM 3-Project Series as a Google Form, and
- Students' anonymous, online **Student Views: Pre- and Post** responses as a Google Sheet, and
- **Grading Rubric** completed for all students as a Google Sheet, and
- Entire sets of students' **Projects 1, 2 & 3** (names removed) with files named representing each:
  - 1 Highest performing students' work
  - 1 Middle performing students' work
  - 1 Lowest performing students' work, and

**Student Project Media - \$50 Amazon Gift Card**

- Completed **Parent Permission for Student Participation** Google Form responses (Google Sheet or scan of signed form) for each student who appears in a supplied image. DO NOT provide images of students whose parent has not completed this form, and
- Images showing students whose parent signed the form using the project materials and presenting their work:
  - 5 or more full resolution images (not thumbnails) saved as JPG file formats of students using the project materials, and
  - 4 or more, landscape-oriented, 30-second or more videos:
    - 2 videos of 2 different students sharing how much fun they had with the projects, and
    - 2 videos of 2 other students sharing their project work, and
  - Image files saved as MOV or MP file formats and using the naming convention:  
[TeacherFullName]\_[StudentsFullName(s)].

**STEM Share Fair Participation & Feedback - \$100 Amazon Gift Card**

- 5 or more students from your class share their project work (either authentic or in-class projects) with a STEM Expert during one or more time block during our virtual **STEM Share Fair: Celebrating student-led STEM** with a school staff member and whole class is present, and
- Completed **Parent Permission for Student Participation** Google Form responses (Google Sheet or scan of signed form) for each student who will participate.

This offer is valid only for those teachers who sign-up for STEM Generation's programming in January & February 2021. If you have any questions, then please feel free to use [my calendar](#) to find a time to meet or email me at any time.

Sincerely,

Samantha Sands, Programs Manager, STEM Generation, dewey@sciencefairfun.org
